FEBRUARY 2023

Hello Shark Families!

We had an exciting January! Our students continue to work on their Wildly Important Goals (WIGS) each day and we are working toward the goal of having every class meet at least two WIGS by the end of trimester 2. We celebrated Lunar New Year the week of January 22 and during Kindness week we spent time giving compliments to each other, beautifying our school, and remembering that sometimes the little things go a long way. In February, we are celebrating Black History Month, highlighting influential leaders, artists, inventors, and more. We have lots more events coming up this month and hope to see you all join us!
