Welcome Back Shark Families!

We hope that you all are enjoying the summer break and have had some time to spend with family and friends. We are excited to welcome B, C, and D tracks back to school next week for another great year! We hope you are able to join us at our Back to School Nights: Tuesday, July 16 for Kinder and Thursday, July 18th for Grades 1-6. Our new Vice Principal will be starting toward the end of the month and we will plan a meet a greet for families soon!

Students will spend the first few weeks reviewing what it means to be a Super Shark and getting back into the positive routines of the classroom. We will continue our primary focus on our welcoming school environment and building community in our classrooms. It's going to be a great year!

PARKING LOT SAFETY REMINDERS

The safety of our students is our number one priority! Keep students safe!

- ✓ Students arriving in cars are to be dropped off on the WAVE drop-off area inside the parking lot.
- ✓ **Pull forward as far as possible before letting children exit the car.**
- ✓ Children must **exit cars on the passenger (curb) side only**. Please note: If your child must exit from the driver's side of the car, you may not use the drop-off service. You **must park** your car in a marked parking space and escort your child to the sidewalk.
- **NO PARKING on the wave.** If you need to walk your child inside or if you are visiting the office, you must park your car in a designated spot.
- **The RED CURB is a FIRE LANE and NOT a drop off or parking area!**
